PAYMENT & FEES

TUITION

Tuition includes one lesson a week, with the exception of holidays. Tuition is based on 48 lessons per year and has already been pro-rated to reflect the 3 weeks a year we are closed and the other closures for holidays. Some months will have 5 lessons, and others may have less due to holidays and closures. Tuition is fixed and remains the same regardless if it is a 5 week month, or less.

You will be billed 5 days before the start of the month.

You are not paying for lessons when we are closed for specific holidays and our own school closures. You are paying for 48 lessons a year.

Tuition is not adjusted for missed or canceled lessons. No partial refunds will be given. Our current tuition rates are posted on our website and openly available upon request. Tuition is automatically billed to the card we have on file each month. If you would like to discontinue your lessons you must notify the office in writing **by the 14th of the current month**, in order to discontinue lessons for the following month. Any remaining lessons can be gifted to friends and family and expire at the end of the month.

CARD ON FILE

All billing is on auto-pay. You are not signed up until we take payment for your first lessons and save your billing information on file.

If payment is not received on your billing date, your spot may be given away to another student on our waiting list.

ANNUAL MEMBERSHIP FEE

An annual membership fee of \$35 per student occurs once a year. Usually on the date that you originally signed up.

BOOKS/MUSIC

Students are responsible for any book and sheet music charges.

PAUSING OR DISCONTINUING LESSONS

To suspend or discontinue lessons and payments, the front desk (not your teacher) needs to be notified **by the 14th of the current month**, in order to cancel lessons for the following month.

You may put your lessons on hold at any time for 30 or 60, 90 days, however kindly understand that your spot will be given away during your absence. Students must give a return date in order to put their lessons on pause.

You will be charged the membership fee again if you do not specify a return date.

Lessons cannot be discontinued in the middle of a billing cycle. If you discontinue during the middle of a billing cycle you will receive credit for the remaining lessons which will expire at the end of the current month. No partial refunds will be given, however you may always gift these lessons/credits to family or friends. These credits expire at the end of the current month.

MAKE-UP LESSONS, SCHEDULING & SUBSTITUTE TEACHERS

MAKE-UP LESSONS

Lessons are given at the same time & date each week. If you need to permanently change your lesson time and day, you must give us 24 hour notice so we can find a new time for your weekly lessons. We will always offer a make up time if the availability exists. **Please log in to your student account to cancel lessons, and use credits to reschedule.** <https://tiffanymusicacademy.com/student-login/>

Private Lessons: Please give 24 hour notice if you can not make it to your regular scheduled lesson. If less than 24 hour notice is given, you may attend the monthly group make up class.

Group Class/Rock Band: If 24 hour notice is given for a canceled class, students will be issued a group make up credit. Students may use this credit to attend the monthly group make up class (ages 6+). Credits expire in 30 days.

Monthly Group Make Up Class: This is an hour long group make up class that happens on the last Saturday and Sunday of every month - for ages 6+. Students can attend this class for any reason. You must reserve your spot. Spots are limited. If you cancel your lesson with less than 24 hour notice, you can attend the monthly

group make up class.

SCHEDULING

If you are more than 30 minutes late for an hour long lesson, or 15 minutes late for a 30 minute lesson then you forfeit that lesson.

Three consecutive no shows will result in automatic termination of any further lessons. **The teachers do not handle scheduling or payments. You cannot cancel lessons or change lesson times through your teacher.** For teacher's privacy, we do not give out their personal information.

SUBSTITUTE TEACHERS

If your regular teacher is unable to make your lesson, a qualified substitute teacher will be provided. The chance to study with another teacher will benefit each student as all teachers have their own unique personalities and teaching styles. All of our teachers are familiar with studio practices and policies and will make lessons fun and engaging, ensure that the students learn a song of their choice, and implement fun motivational programs like music money and games. We have seen the benefits of this experience over the last 28 years of teaching. Our billing and attendance policies still apply.
